To,

Dr. K V Narayanaswamy
Chairperson Socio-Economically Disadvantaged Groups Cell
Atria University

Sub: Constitution of Socio-Economically Disadvantaged Groups Cell(SEDG)

The Socio-Economically Disadvantaged Groups (SEDG) Cell has been established at Atria University to support students from underprivileged backgrounds. The cell aims to ensure equal opportunities by providing financial aid, academic assistance, and counselling. It will conduct regular meetings to address concerns, organize awareness programs, and maintain records of all activities to ensure transparency and inclusivity. The SEDG Cell plays a crucial role in promoting a diverse and supportive academic environment.
